

ATMC Cable Update

Effective January 5, 2022

On January 5, 2022, DIY (channels 214 & 938 HD) will be changing/rebranded to Magnolia Network. This change is a result of a decision made by the network and is out of our control.

From Chip and Joanna Gaines, Magnolia Network will showcase extraordinary stories and authentic talent that will deliver a unique and motivational entertainment destination. Along with new original programs, DIY favorites such as Maine Cabin Masters, Restoring Galveston, and Barnwood Builders will be part of the new channel. Magnolia Network will also be the home to the full, five season library of Fixer Upper.

Magnolia Network will be available as part of Cable and MergeTV Advanced Package.
