

## **FOCUS Broadband Cable Update**

---

*Effective May 23, 2023*

On May 23<sup>rd</sup>, 2023, HBO Max will be changed/rebranded to Max. This change is a result of a decision made by the network and is out of our control.

Max will continue to bring all the iconic programming that you love about HBO Max together with an even deeper library of crave-worthy genres like true crime, reality, food, comedy, and more — all for the same great price.

Customers who already have HBO Max will automatically gain access to Max. All profiles and watch history will be carried over. Max will continue to be available at no additional charge with an HBO subscription and as an Internet service add-on for \$15.99/mo.
