

## **FOCUS Broadband Cable Update**

---

*Effective January 8, 2024*

On January 8, 2024, Showtime (MergeTV Channel 540) will be rebranded to Paramount+ with Showtime. This change is a result of a decision made by the network and is out of our control.

Paramount+ with Showtime will continue to feature the same content as before, and will also air select Paramount+ programming.

The Paramount+ with Showtime service we offer is not the same as Paramount's service with the same name. FOCUS Broadband's Paramount+ with Showtime offering will *not* include access to the Paramount+ streaming service. It will only include the Paramount+ with Showtime linear channel plus associated plex channels.

Paramount+ with Showtime is available to purchase as a Movie Channel add-on to MergeTV for \$10.99 per month.
