

ATMC Cable Notice

September 3, 2020

ATMC will offer a free preview of NFL RedZone from Thursday, September 3 through Sunday, September 13, 2020. Coverage/games will air on NFL RedZone (channel 268 & in HD on channel 979).

**A digital box is required to receive free preview. An HD box is required for NFL RedZone HD channel. Free preview is not available with a digital adapter.*

Customers wishing to block this channel may do so by using the channel blocking feature on the guide. The channel block feature must be set and enabled on each digital cable box in your home in order to block the viewing on each TV.
