Federal Universal Service Charge (“FUSC”) Rate, Effective April 1, 2023

Action taken by the Federal Communications Commission (“FCC”) has resulted in a decrease in the federal universal service charge (“FUSC”) rate. Effective April 1, 2023, the FUSC will be calculated by multiplying your interstate service charges by the new rate of 29 percent. For wireless services, the FUSC amount is calculated by multiplying certain wireless service charges by the new rate of 10.8 percent.
