

ATMC Cable Update

Effective October 4, 2021

Changes in ESPN Classic & ESPN News effective October 4, 2021

Effective October 4, 2021, ESPN Classic and ESPN News will have new channel positions. ESPN Classic will be moving to channel 250. ESPN News will be moving to channel 27 (ESPN News HD will remain on 982). ESPN Classic will be available in the Man Cave Sports Package. ESPN News will be available in the Standard Package.

All other ESPN channels will remain the same.

<u>Channel:</u>	<u>New position:</u>	<u>New Package:</u>
ESPN News	27 (SD) and 982 (HD)	Standard Package
ESPN Classic	250 (SD)	Man Cave Sports Package

These changes are being made to off-set the increased cost of carrying ESPN programming for the upcoming year.
