

ATMC Cable Update

Effective September 27, 2021

On September 27, 2021, Great American Country (GAC) (channels 45 & 940 HD) will be changing/rebranded to GAC Family. This change is a result of a decision made by the network and is out of our control.

GAC Family will continue to include American themed scripted content that appeals to and captures the American culture, lifestyle, and heritage, with the addition of a slate of family-friendly original movies and series that celebrate this legacy.

GAC Family will be available as part of Cable and MergeTV Standard Package or higher.
