

## FOCUS Broadband Awards Scholarships

Ten high school seniors have been awarded \$2,000 scholarships from FOCUS Broadband. The scholarships are available to seniors living in any of FOCUS Broadband's service territories. This year's scholarship recipients include:

*Trisha Martinez-Aguilar*

*Brianna Bines*

*Colt Blackmon*

*Zoey Boswell*

*Madeline Fischer*

*John Harvey Gore*

*Kellyn Jarvis*

*Haylee Johnson*

*Margie Steve*

*Lori White*

Trisha Martinez-Aguilar, Columbus Career and Academy  
Brianna Bines, South Brunswick High School  
Colt Blackmon, South Columbus High School  
Zoey Boswell, West Brunswick High School  
Madeline Fischer, North Brunswick High School

John Harvey Gore, South Columbus High School  
Kellyn Jarvis, West Columbus High School  
Haylee Johnson, Brunswick Early College High School  
Margie Steve, Brunswick Early College High School  
Lori White, Brunswick Early College High School

To be eligible for the scholarship, applicants and/or their legal guardians must be customers of FOCUS Broadband. Selection was based on academics, involvement in school and community activities, and interview skills. "We are excited to help these talented students further their education," said Keith Holden, FOCUS Broadband CEO. "We wish them much success in their next chapter." FOCUS Broadband has awarded \$143,000 to 86 students since the scholarship program's inception.

## Voted Best in Customer Service

We are honored to be recognized as providing Brunswick County's best customer service! This accolade is part of the Brunswick Beacon's Best of Brunswick Reader's Choice Awards, a recognition program in which readers vote for their favorites in several categories. "This is the 15th year that FOCUS Broadband has been recognized for this award," said Keith Holden, FOCUS Broadband CEO. "Our customers have always been our top priority and we are proud of our team's ongoing commitment to providing award-winning service."

Thank you to all who voted FOCUS Broadband Best of Brunswick in Customer Service! We look forward to continuing to serve you!

# Always Call Before You Dig

April is National Safe Digging month and if you are planning a home improvement project, make sure to call 811 before you dig. Simple tasks like installing a mailbox, planting shrubbery, or building a deck can result in damage to gas, electric, communications or water and sewer lines, which can lead to service disruptions. Not knowing where these utility services are in your yard could also lead to serious injuries and costly repairs if digging is done without knowing their location.

By calling 811 before you dig, you'll be connected to a local one call notification center that will share your information with local utility companies like FOCUS Broadband. Locators will then visit the dig site to mark the approximate location of underground utility lines with spray paint, flags, or both. Once a site has been accurately marked, you'll be able to safely begin digging.

## Checkout the Streaming Marketplace

The streaming marketplace on FOCUS Broadband's website is a great source for getting information on a multitude of streaming services. Get the help you need to find the streaming app that best suits what you want to watch on TV. Search by name, genre, and device or you can filter by free or paid apps. You can even search by movie or series title and find out which streaming service offers the program you're hoping to watch. Get detailed summaries for each streaming option and compare prices and features as well as reviews and ratings.

Learn more about your streaming options by visiting [focusbroadband.com/cutthecord](https://focusbroadband.com/cutthecord).
