Replacement Remote Pairing

Long press the Home and Back buttons at the same time, until the Red Indicator Light flashes quickly, then release.

That means the RCU has entered pairing mode. Wait a few seconds without pressing any buttons until you see the pop-up message of pairing success.

*My TV Button:

• After the first-time install is complete, "My TV" opens the download page of the MergeTV app within the Google Play Store.

• When the MergeTV app is already installed, "My TV" opens the MergeTV app.
