

Connect Grant Application

Organization Name: _____

Complete Mailing Address: _____

Physical Address: _____

Contact Person and Title: _____

Telephone: _____

Email Address: _____

Requested Grant Amount (up to \$25,000): _____

In two thousand words or less and in a separate Word document, please answer the following questions:

1. Explain the function of your organization and the demographic of the community that you serve.
2. Describe the major goals, purpose, and objectives of the project for which funds are requested. Specifically show how it enhances economic development or increases access to, or promotes knowledge and use of, technology in the community.
3. Provide a list of specific, measurable ways in which the grant will accomplish stated goals.
4. Provide starting benchmarks against which the project will be measured (if applicable).
5. If a 501(c)(3) organization, please provide verification from the IRS of your nonprofit status.

Include any additional supporting documents or files with this grant package.
