

FOCUS Broadband Cable Update

Effective March 18, 2022

As of March 18th, 2022, Court TV Mystery (channel 80) has been changed/rebranded to ION Mystery. This change is a result of a decision made by the network and is out of our control.

ION Mystery is home to television's most binge-worthy, edge-of-your-seat thrillers, docuseries and originals. With top-rated shows including "Law & Order" and the "CSI" franchise, plus real-life investigative series like "The First 48," ION Mystery invites viewers to put on their detective hat and join the investigation.

ION Mystery will be available as part of the Cable and MergeTV Standard Package.
