

# Setting Up a Google Account

To download MergeTV on an Android device, a Google Account is required.

1. Go to [www.google.com](http://www.google.com) and click on 'Sign in' from the top-right hand corner.
2. Click on 'Create account' and then select who you are creating the account for.
3. The sign-up form will appear. Follow the directions by entering the required information.
4. Next, enter your phone number or a recovery email address to verify your account. Google uses a two-step verification process for your security. You will also be asked for some personal information, like your name and birthday.
