## **Removal of STARZ & STARZ ENCORE**

Effective February 10, 2026, STARZ (Channels 565-575) and STARZ ENCORE (Channels 576-590) will be removed from the FOCUS Broadband MergeTV lineup.

This change coincides with our agreement with STARZ and STARZ ENCORE reaching its renewal period. As previously communicated, FOCUS Broadband will be ending MergeTV service later this year, and as part of that transition, this agreement will not be renewed. All customers have already been notified of their specific MergeTV removal deadline.

Both STARZ and STARZ ENCORE content is available directly through the STARZ streaming app, allowing you to continue receiving it using your FOCUS Broadband internet connection. Information about this app, along with other streaming platforms, can be found at [www.focusbroadband.com/streamingmarketplace](http://www.focusbroadband.com/streamingmarketplace).
