

# FOCUS Broadband Cable Update

---

*Effective March 24, 2026*

## **Removal of YES Network**

Effective March 24, 2026, YES Network (Channel 263, available as part of the Sports Package) will be removed from the FOCUS Broadband MergeTV lineup.

As previously communicated, FOCUS Broadband will be ending MergeTV service later this year, and as part of that transition, carriage of YES Network will be discontinued. All customers have already been notified of their specific MergeTV removal deadline.

For subscribers who would like to continue viewing YES Network, it is available directly through The Gotham Sports App, which includes access to live games. More information on this can be found at <https://signup.gothamsports.com/>.
