

FOCUS Broadband Cable Update

Effective December 31, 2025

Removal of FOCUS Broadband TV, WILM, & Music Choice

Effective December 31, 2025, FOCUS Broadband will be removing the following channels from the MergeTV lineup: WILM, Music Choice, and FOCUS Broadband TV. Please see the chart below for a breakdown of which package/channel these are currently included in. This decision to remove this content was not made lightly, but it is one of many steps we will be taking to combat the rising costs of cable TV – and it is part of a broader shift as we move toward the eventual discontinuation of MergeTV.

| Channel Name | Channel # | Package |
|--------------------|-----------|----------|
| FOCUS Broadband TV | 3 | Standard |
| WILM | 10 | Standard |
| Music Choice | 701-750 | Standard |
