

FOCUS Broadband Cable Update

Effective September 23, 2024

Effective September 23, 2024, Disney will be sunsetting several TV Everywhere applications. These include ABC, Disney Now, Freeform, FX Now, and Nat Geo TV.

Authenticated portions of these websites will continue to be available. Much of the content previously found on these apps will be also available to customers who subscribe to these channels on MergeTV via the 'On Demand' section.

The decision to discontinue these apps was made by the network and is out of our control.
